Presenting the Class of '77

Above Graduates wait patiently to receive their diplomas.

Ninety-seven seniors attended Commencement on June 1, 1977. As we look back at their final year, we remember the following

The Senior class won first prize with their homecoming float of Snoopy.

The annual Senior spaghetti dinner proved successful as was their play "Finders Creepers."

To raise money, the class sponsored dances, roller skating, and sold candy, calendars, and jewelry.

Seniors dressed in their dark green and mint green gowns to participated in their Baccalaureate services on May 29. Early Memorial Day, the seniors left Onaway for Sandusky, Ohio, for a fun-filled two-days at Cedar Point.

Below: Senior Class Sponsors, Russell Mellberg, Ivan Robbins, and Bernie Schmeltzer. Class Officers: Paul Freil, President, Michelle Miller, Vice President, Robin Curtis, Secretary, Geri Janeczek, Treasurer.

Exchange Students Convey Thanks

Friends,

Thank you for making my year as great as it has been for me. It will be a year I'll never forget and of which I will have many stories to entertain my Dutch friends. I had never thought it would have been this easy to adjust to a small "cozy" town after living for 18 years in the big city of Amsterdam. I'm particularly impressed by the kindness and peacefulness of this part of Michigan.

I am thankful for letting me become a friend of you within this seemingly short year. I had a lot of fun in school and out of school, during football season which was a fantastically new experience. Winter, for enjoying my first time skiing and snowmobiling and of course Spring for being the party time of year.

I hope you will carry a good impression about my country and will remember me. I really hope to see you again in the future.

Friend Forever,

Mike

My address is: Mike Schmidt
Herengracht 238
Amsterdam
HOLLAND (Europe)

Friends,

The first invasion I got of the United States were the big cars, lots of people, signs and the unbelievable traffic in Detroit where I landed with about 400 other kids from Finland. None of us really knew where we were going to. We had the names of our new host families, everybody didn't even know where they would be sent from Detroit. It was hard to start speaking English and we were scared to try first.

Now I'm hoping it would be the 15th of August again. I can't believe how fast this year has passed by.

Now I have twice as many friends I had before. I've seen lots of things and places. I've gained my knowledge in English language and I've done things I never did before. I think I've gotten a great experience from staying here.

I wouldn't have had this much fun with school if you kids hadn't been that nice and good friends with me.

I would like to thank all of you friendly people in Onaway for sharing this year with me. I'd be glad to have you visit my hometown, Tyllykook.

Here comes a special thanks for my very best friends for all the good times (and bad ones, too) we've had together in Onaway.

If you guys can't come to Finland to see me before, we'll see you in two years, cause I'll be back!

If you want to write me to find out when I'm coming back (so you can have a surprise party for me!) here is the address:

Juniors

Complete A Fun - Filled Year

This year's Junior class had Winnie the Pooh for the theme of their homecoming float. Their play was so successful they had a repeat performance. To raise money, the juniors sponsored a dance and an afternoon assembly with a corresponding night concert. One of the Junior classes major projects for the year was the Junior-Senior Banquet held in May.

Sophomores: Feel More at Ease Second Year

This year's Sophomore classes' homecoming float consisted of Tony the Tiger and his Frosted Flakes. Money was raised by weekly candy sales, including a special sale of M&M's; a bake sale during deer season; and finally a bake sale and car wash during the Memorial Day weekend.

Freshmen: Join Ranks at O.H.S.

This year's Freshman class will probably be remember for its float with movable parts featuring Pat Albert. After a lot of hard work, they received second prize. The smell of popcorn at some of the football and basketball games was also their responsibility. On Valentine's Day they could be seen selling pinkheart shaped cookies.

Above Freshman Ben Penhale keeps busy in his spare time taking pictures for the year-book. Left Kay Badgero and Barb O'Mero were selected candidates for Homecoming.

Left, Cliff Hyde struggles to get through

In the late summer of 1976, the Onaway Varsity Football team met to begin fall training. For two solid weeks they strove in the hot sun, in temperatures of up to 90 degrees during two a day practices.

The Cards first game came around with Charlevoix. It was tough with the only score being Onaway's, in the final minutes of the contest: thus ending it 7-0.

Determined to be undaunted by other high scoring teams, Onaway met the Soo. The scene was set on a snowy night in October, which was also the Soo's homecoming. Hard work paid off as handsomely as it had so many times before, with a score of 29-8.

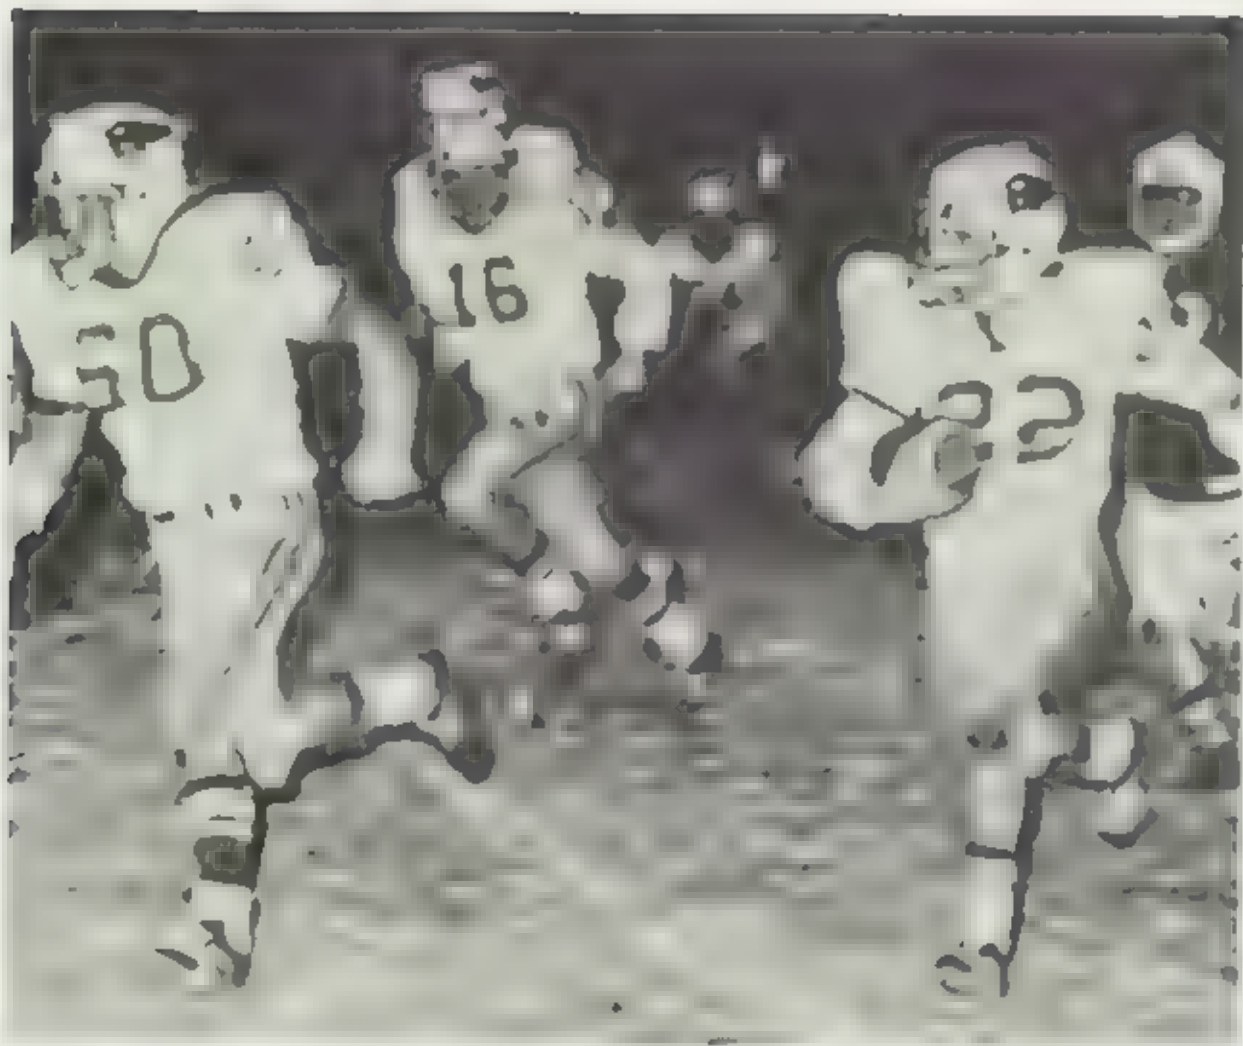

Thus by winning the last few games it assured the cards of a playoff berth.

The goal was complete. Going to the State Finals was a thought put into the minds of Onaway, and when Onaway put a thought into their minds it was an obsession. An obsession to win and to keep on winning until the goal was fulfilled. This first stage of the goal was now fulfilled. The second would be when Onaway beat Bay City All Saints in the semi-finals. Now onto Pontiac, Onaway vs. Flat Rock. The cardinals going in with four year veteran fullback Colin Freel and four year veteran quarterback Paul Freel and along with other experienced players the big red machine was bound for victory.

J.V.'s Have a 5-3 Winning Season

After three successive losses to Charlevoix, Gaylord, and Alpena, the '76" Junior Varsity football squad went on to outscore their opponents 208-18, to wind up their season with a 5-3 record. This success can only be attributed to the hard work, effort, and the dedication of all individuals on the team. The team would like to thank Mr. Robbins and Mr. Mellberg for their dynamic leadership, and the J.V. cheerleaders for all of their hard work and spirit.

The team captains for this year's squad were: Mike Waite, Tom Auger, and Mark Malay.

Guards Tom Auger and Craig Moser anticipate the tip from center Scott Stevenson.

Our junior varsity basketball team accomplished something that has not been done in the last five years they ended the season with a winning record.

Their final record of 12-8 could just have easily been 16-4 if a few breaks had gone their way. Some memorable moments were. (1) Having all of the team score points in one game (against Newberry). (2) Breaking a three-game losing streak with a 63-61 win over Atlanta (on their court). (3) Winning six of their last seven ball game.

The team averaged 57.85 points per game while holding their opponets to an average of 53.25. The top scorers for the team were the co-captains - Randy ferris (21.4 ave.) and Tom Auger (11.3 ave.). the best from the free throw line were Randy Ferris - 68% - Craig Moser - 59% - Steve Waite - 48% - Scott Stevenson - 47%.

Defense Improves Despite Losses

An improved defense, but lack of scoring, led to a disappointing 1-8 season for the freshman basketball squad.

The team was coached by Chuck Abshagen who held the post for the first time this year.

They racked up some heart-breaking defeats losing by small margins in some instances.

Leading scorers for the team were Bill Berry and Mark Dunbar. Ben Penhale led the way with rebounds.

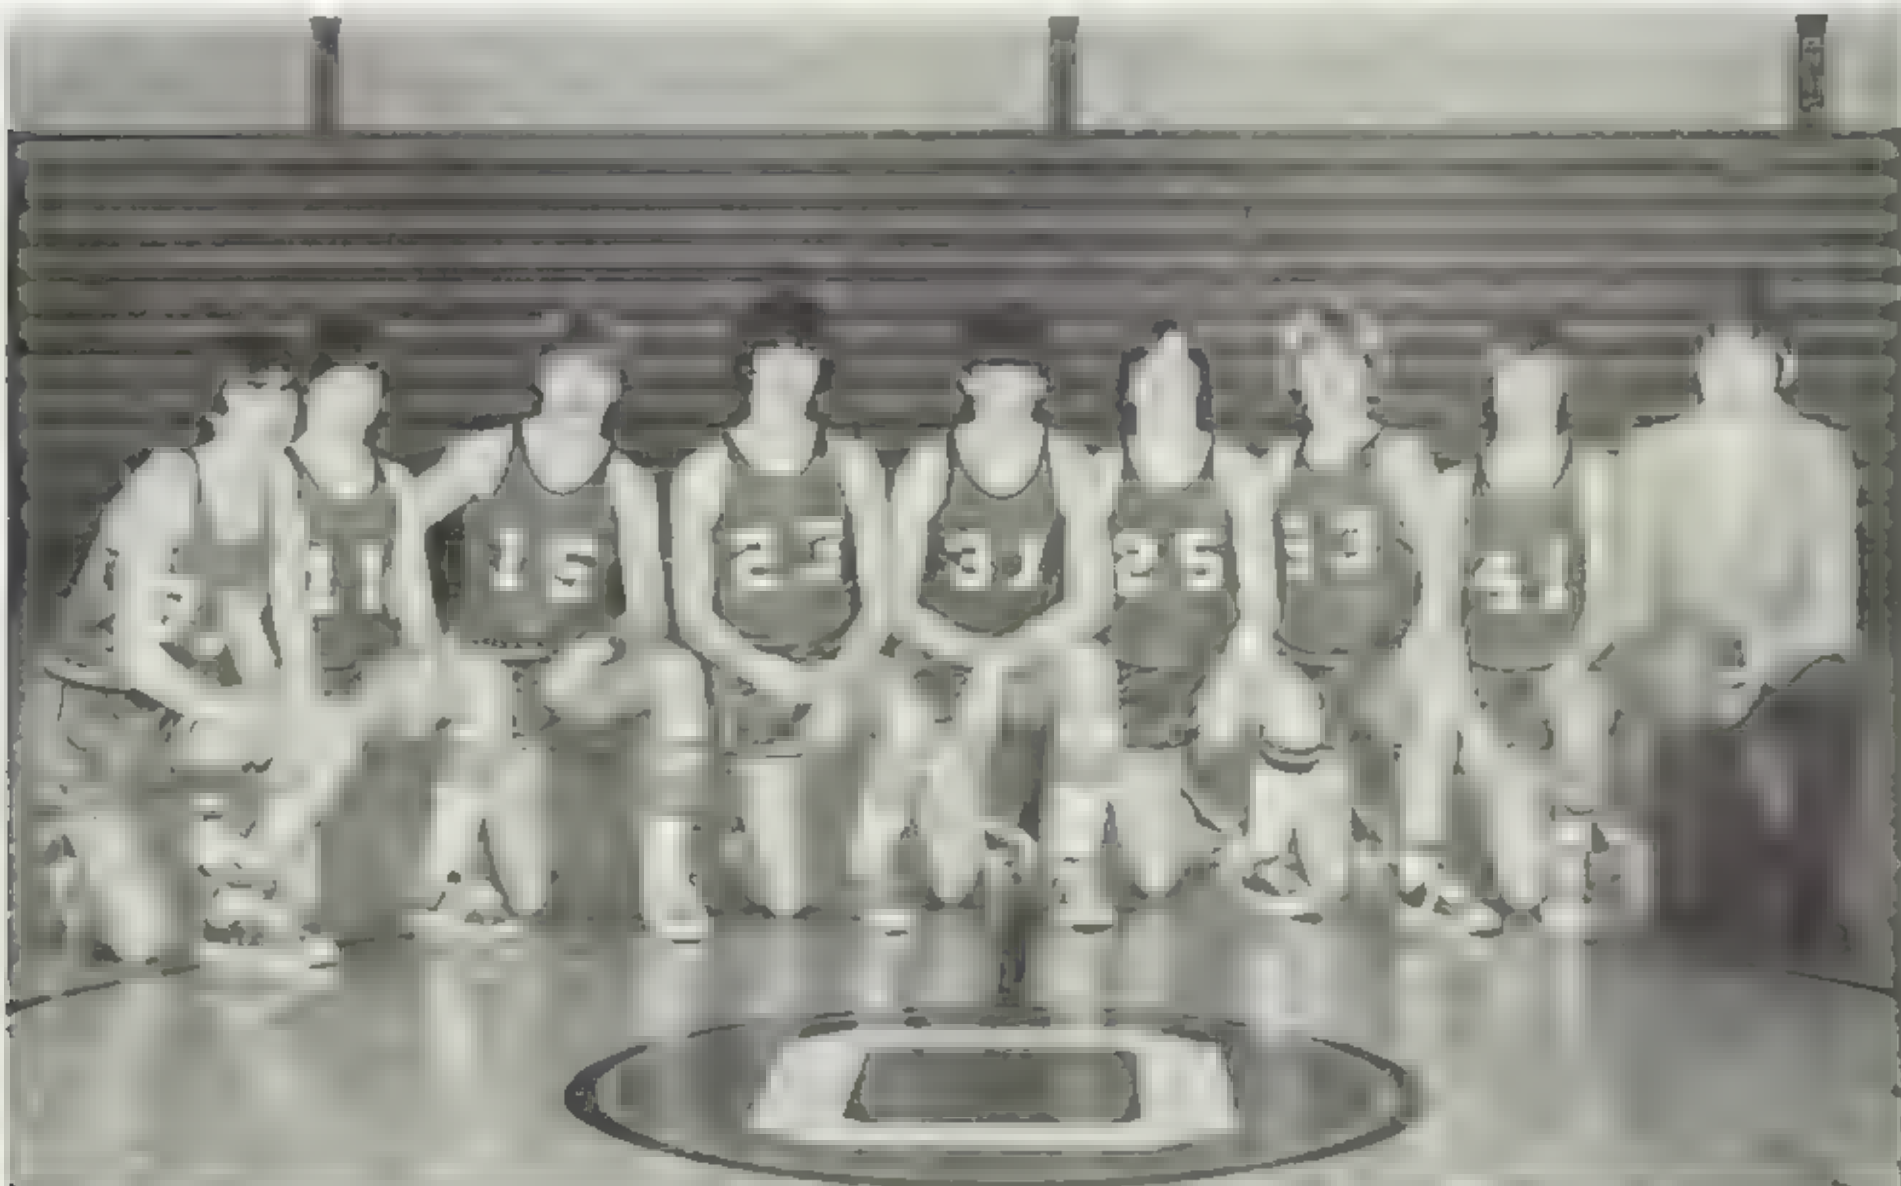

Co-captains for the year were Dennis Schaar and Mark Dunbar. Managers were Jimmy Fieury and Douglas Abshagen.

Average points scored per game during the season were 37 for the Freshman Cardinals while their opponents racked up 52 points per game, on the average.

Girls' Provide Spirit for "76" Year

This year's girls' Varsity team, coached by Miss Jenine Fueling, had a good time even though they didn't win any games.

The team was very rounded as far as ability was concerned, but due to the lack of height, the girls were unable to get back in for the rebounds for a second shot.

Next year they are looking forward to a bigger, better season and more good times since many of the members from the squad will be returning with this year's basketball experience.

The Onaway Girls' Junior Varsity Basketball team, also coached by Miss Jenine Freling, worked very hard this year. Everyone practiced after school doing various drills to improve and prepare themselves for their games.

Next year, many of these girls, will be contributing to the girls' Varsity team in order to have a better season. They also will be more experienced.

Cheerleaders Promote School Spirit

This year's cheerleading squads consisted of 12 girls. The girls had a good year. They did a fantastic job of cheerleading during the football and basketball seasons.

The girls did various things this year. They raised money to buy new uniforms, went to camp and held a raffle for a camera and a blow dryer. To raise the money for uniforms the girls held candy sales, and during the games they sold pop and popcorn.

For camp they went to Charleviox. While there they worked with cheerleaders from Central Michigan University. They learned floor cheers, a dance routine and pom pom cheer.

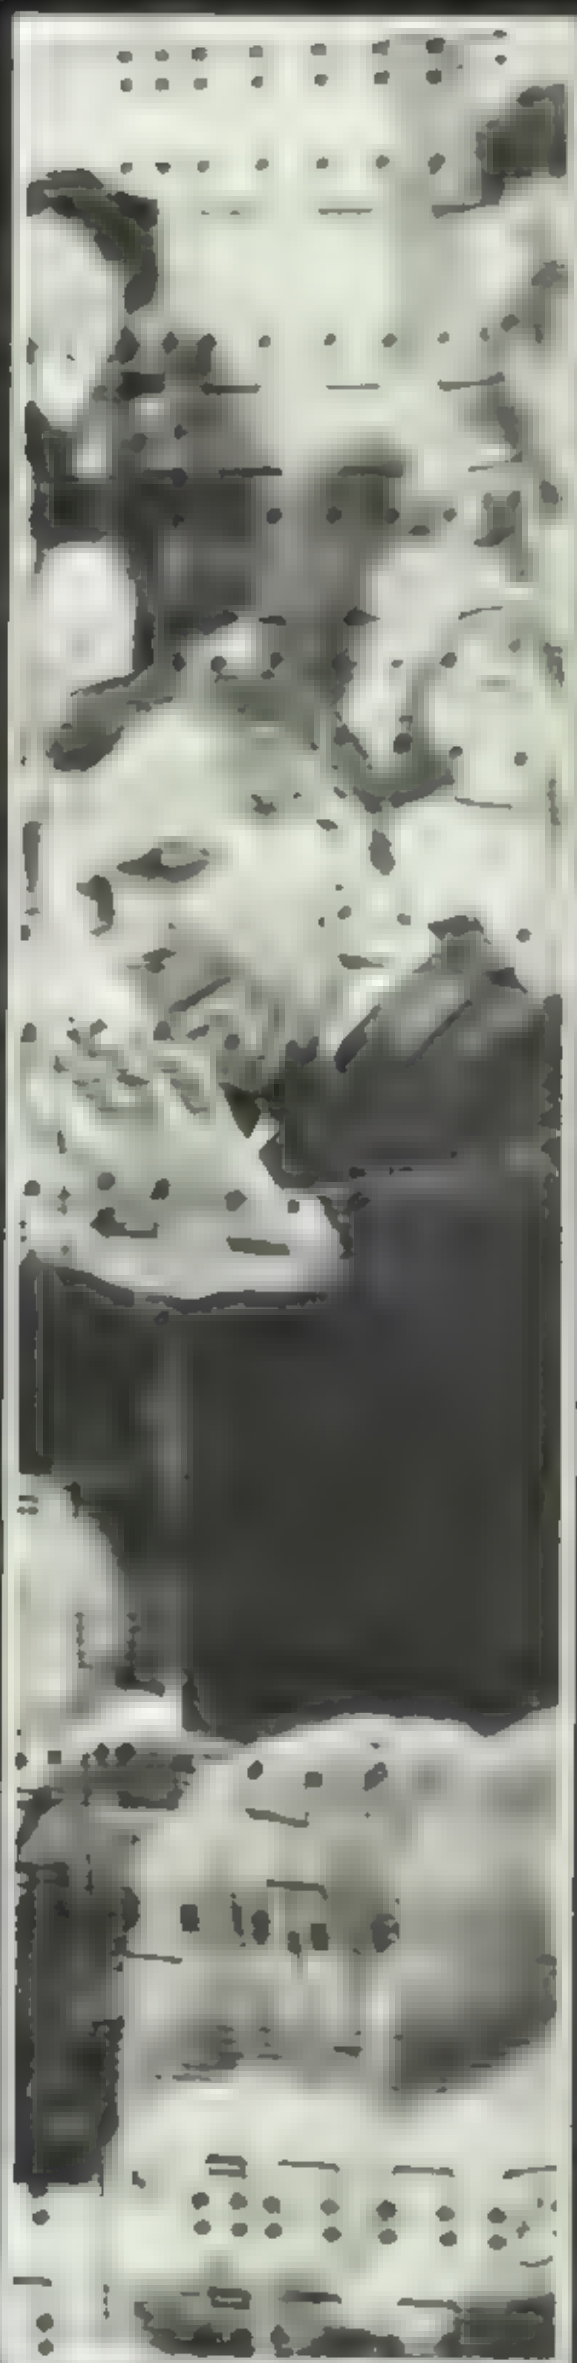

During the season the cheerleaders enjoyed the trip and all the money raising projects.

Activities

School Soars With Publications

Our yearbook this year has changed. We now have outlines and copyblocks, which consist of complete sentences explaining who is in the picture or what the activity is about. The advisors this year were new and they did a good job in advising the students on the staff. Staff members are selected by the faculty and the advisors. To help pay for the yearbook we sponsored candy sales and also sold advertising. Eileen Winter was our editor this year.

What originally started out as a class in journalism, became a new school newspaper under the guidance of Mr. Robbins. With the recruitment of a few students from the study halls, and a lot of hard work, the paper became a success. The staff had a few rough spots to work out, but by the end of the year the paper was set in its format. There's a lot yet to be accomplished, but this year's staff gave everyone else a head start.

Council Represents Student Body

Student Council has been very busy sponsoring school activities. These include dances, assemblies, homecoming activities, vending machines, and volleyball tournaments. During St. Patrick's Day, they collected money for Muscular Dystrophy. Young rock band Free Fare, musician/comedian James W. Jackson, folk singers Charles and Val Rider, and pantomime artist Bruce Rathburn were the guests at the assemblies.

Junior Play: No Boys Allowed

"No Boys Allowed" was a very succesful Junior play. The Juniors presented the play to the public on Friday, March 18 and again due to popular demand on March 31. "No Boys Allowed" was supposed to be what the title implied. However, that was not the case, after Fred, Leroy, Harvey, and Keith, and the Midnight Twins, broke up Rita Baxter's slumber party. Fred and Rita had a big fight and he wanted to make up to her, but Rita didn't feel the same way, and between her pesty sister, Jane, and her cousin, Vicki, and Fred's attempts to apologize, Rita became very upset. It was at the time, that the Midnight Twins, a pair of robbers, decided to put in a major appearance. After that time, things became very hectic, amidst the comedy, and commotion. However, by the end of the play, Fred and Rita were reconciled, the Midnight Twins were captured, and everything turned out cool.

No, I ain't goin' into that kitchen no more!

Is this the way out

"Finder's Creepers," presented in the fall by the Senior Class of 1977 was a mystery-comedy in three acts by Donald Payton, was an enjoyable and comical production. The play's action centers around Hercules and Wilbur's visit to Hercules' Uncle who unbeknownst to him is an undertaker. The eerie drama unfolds as they discover another "guest" who is suprisingly alive plotting revenge against his would be murderers.

Young Biologists Club Reorganizes

Young Biologists is an activity oriented club that functions mainly to give students outdoor experience that would be very difficult to get within the framework of the conventional classrooms. Education is accomplished by participation. The club has been in existence since 1969, except for 1974 and 1975. This year's activities included a 12 mile snowshoe hike. An overnight float trip on the Pigeon River is in the planning stage for the near future.

Geri Janeczek demonstrates the hazards of snowshoeing.

YOUNG BIOLOGISTS: Sally Northcott, Brad Cowles, Jim Ratkowski, Chuck Brush, Dawn Adams, Steve Swett, Greg Portor, Lois LeCureaux, Ruth McDonald, Rob Hollander, Jeff Melin, Amy Sorgenfri, Donrea Conrad, Joni James, Linda Permittin, Scott Parry, Marilyn Jutzi, Marjorie Jutzi, Julie Hagstrom, Tina McKenzie, Paul Jay, Andy Blacher, Gordon Vought, Debbie Hart, Jim Greenwood, Ken Dangler, Chris Elwell, Pat Crowe, John Sachs, Robin Curtis, Darren Domke, Shelby DeYoung, Liz Penhale, Shirley Lamberson, Dave Dennis, Dave Perkins, Ron Palen, Fred Ransom, Rick Dolker, Brandon Lutsch, Noble Hughes, Scott Bishop, Don Willey, Joe Tribisondt, Greg Cowles, Jim Bosley, Terry Curtis, Brian Church, Craig Palen, Don DeFeyer, Craig Moser, Don Pen-

F.H.A. Is Moving Toward New Horizons

Onaway's chapter of Future Homemakers of America has been busy this year with a lot of new ideas and fun projects. Some of the highlights of the year were: The 1976 meeting of Region II, held on Nov. 2 in Pickford; our Christmas bazaar and party; our pizza party and our annual F.H.A. State Convention, held over April 27-29 at Western Michigan University in Kalamazoo. Also, this year we had so much help from our "adopted advisor", Mr. Butler, with learning Parliamentary Procedure; and Mrs. Brockett with the bazaar.

FUTURE HOMEMAKERS OF AMERICA Front Row Patty Peterson, Ruth Church (reporter), Lisa Buzan (historian), Mrs. Butler (advisor), Cheri Lietaert, Jane Gould. Back Row Marcy LaFave (president), Patti Hoffmeyer (vice president), Brenda Cole (secretary), Bonnie Wiggins (parliamentarian), Theresa Zalewski.

When we have problems we can go to Mrs. Butler for advice as Jane Gould does here.

Helping Ruth Church (back rt.) with her F.H.A. Bulletin Board are Marcy LaFave, Bonnie Wiggins, and Lisa Buzan.

Lisa Buzan and Marcy LaFave were elected treasurer and parliamentarian of Region II respectively.

NEW MEMBERS Vic Breed, Cass Ferris, Jim Hall, Bob Merrick, Jet Schuler, Julie Chowen, Liz Penhale, Cathy Palmer, Val Paulus,

Awards Night Held to Honor Athletes

Many athletes were honored at a sports awards night, December 10, 1976. The sports honored were football, girls' basketball and baseball. There was a special presentation "Year of the Cardinal." Tapes were given to each varsity football team member. The presentation was made and presented by Al Higgins of WHAK Radio station. The varsity team also received medals for the runners up in the state finals against Flat Rock.

The successful 1976 varsity football team received a standing ovation after receiving their awards.

The cheerleaders did a fine job of firing up the fans.

1977 Graduates Receive Diplomas

Diplomas were awarded to 97 Onaway graduates on June 1 in Commencement exercises.

The ceremony was the culmination of a series of graduation events which included Baccalaureate, Class Nite, Junior Senior Banquet and Junior Senior Prom.

Valedictorian Robin Curtis, Salutatorian Connie Pomranke and Honro Student Representative Paul Freel addressed the graduates and their families and friends.

Seniors wore caps and gowns in their class colors with girls in light green and boys in dark green.

Graduates were introduced by High School Principal Donald Holmes and presented their diplomas by Board members Virgil Freel and Jerry Cryderman. As Mr. Holmes looks on, Colin Freel receives diploma from Board member and father, Virgil Freel.

Valedictorian Robin Curtis encourages fellow graduates to remember class motto "Winners Never Quit, Quitters Never Win."

Salutatorian Connie Pomranke reminds seniors "We have a whole new world to do whatever we want . . . I hope we can achieve our goals."

Honor Student Paul Freel quotes Og Mandino stressing the principle that persistence is the route to success.

Cedar Point Trip Climaxes Senior Year

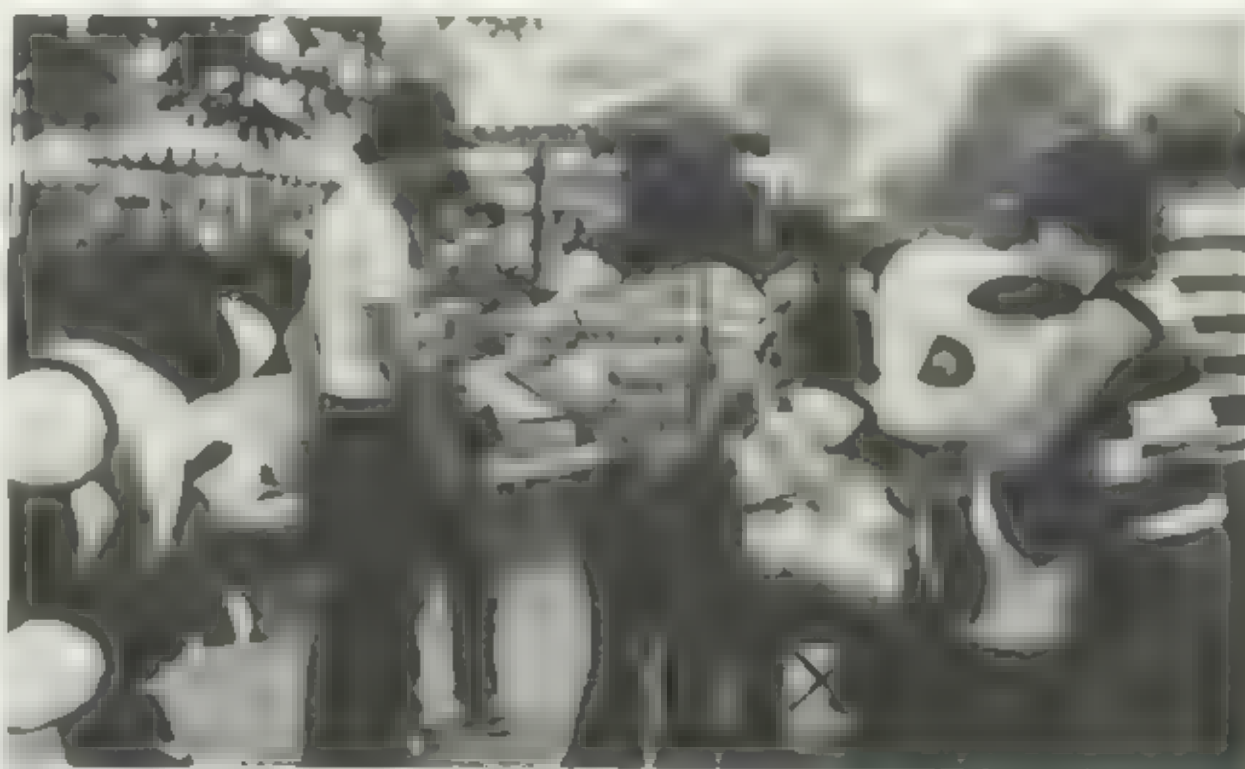

At 3 a.m., May 30, seniors and chaperones boarded buses for Sandusky, Ohio. The long ride was forgotten upon arrival at Cedar Point. Many enjoyed the thrilling rides and staying at the Hotel Breakers. Reluctantly, Tues. afternoon all headed home with souvenirs in hand.

Seniors get tired of riding such a long time, but it was worth it.

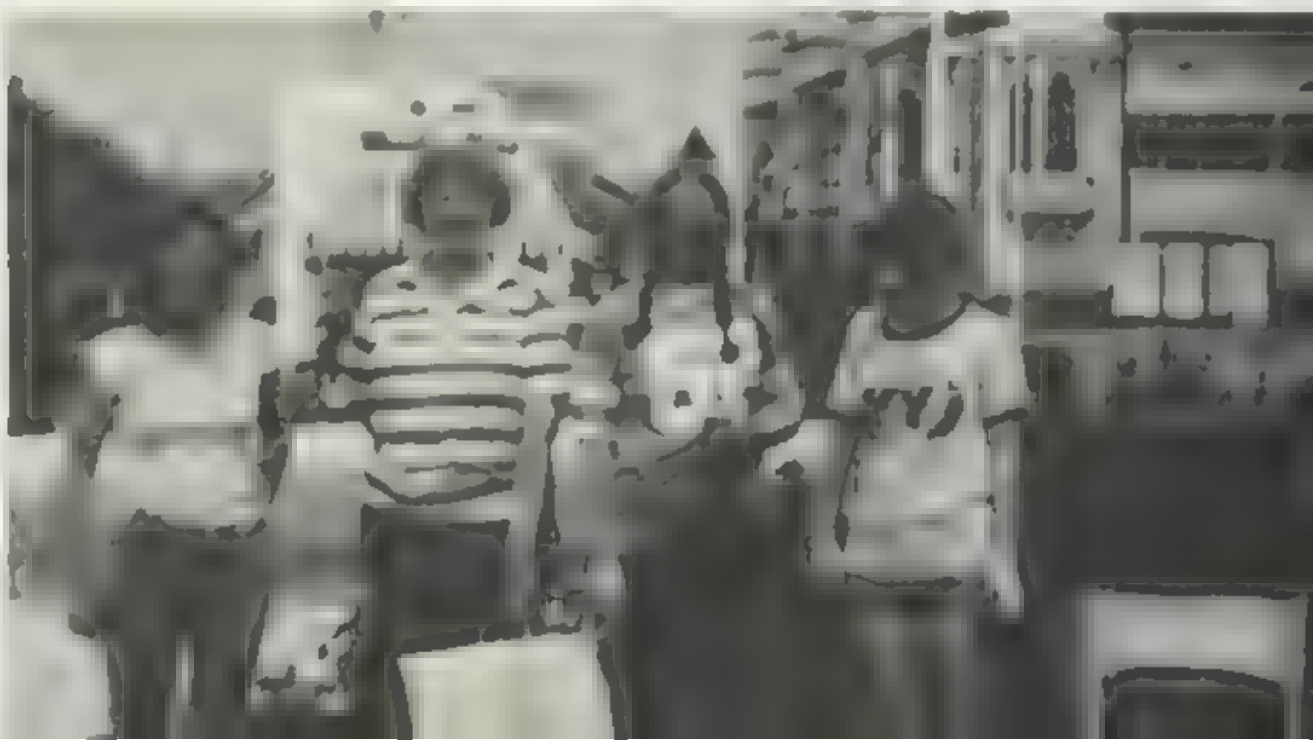

Lucky seniors won cute panda bears.

We have come to another bridge to be crossed, and we have to learn to leave behind the old to face the new. Friends will be left behind, but new ones will be gained along the way. Let us not be afraid, but look forward to love and happiness, and new bridges to cross.
